The Fred Morrison Scholarship is a merit-based scholarship, recognizing players with outstanding performing ability and/or potential. We will evaluate your application based on your musicianship, participation in sessions and as a performer (either solo or as part of a group), mentoring and any teaching you do, participation in other CAF events, your history with piping, and, finally, how attending this workshop would affect your involvement in and further your piping ability for performances.

Please provide relevant information about your piping background, your current involvement with Smallpipe Sessions, and any performing, teaching or mentoring activities. (Use additional space as needed.)

Why should you be awarded this scholarship? (Use additional space as needed.)

Important note: Our general scholarship guidelines are that:

- 1) CAF scholarships will not be awarded to the same student, for the same instrument in consecutive years, and
- 2) At its sole discretion, CAF may award one full scholarship to its Autumn Smallpipe program or Winter School Smallpipe program.
- 3) Scholarships may not be transferred - they may only be used by the student to whom CAF awarded, and must be used for the current program for which it was offered. Unused scholarships are forfeited.

I have read the "Important note" above, and understand that any false information furnished in or with this application or failure to furnish all required items will disqualify me for any consideration for this award. If selected for a scholarship, I authorize Celtic Arts Foundation to use my photo and name for promotional purposes.

Applications must be received by August 20th to be considered. Recipients will be notified by September 1st.
